B. STATEMENT OF WORK

These terms must be included in any services contract for Attorney Services for Sale of US Government Real Estate Property.

1. Review the original documents that conveyed a property interest to the USG and report if there are any limitations on how the property may be disposed of.
2. Perform a title search for each disposal property. Confirm whether any surveys attached to the title deed conform to the description in the title deed, and that the property is free and clear of any encumbrances, whether or not registered.
3. Provide a report that details any title discrepancies to Post and OBO immediately once a title search is performed. Include the description of the problem, the path to resolution, and the timeline to resolve.
4. Explain the procedure to obtain replacement documents at Post in the event OBO's documents and your research do not affirm that the USG has clear title or an alienable interest in the property and assist in obtaining those documents.
5. Review the land use, zoning, and any historical or other designations or restrictions on the properties and explain the effects on potential use or development. Advise and assist USG in discussions with local governmental authorities in clarifying or removing any negative designations.
6. Provide an estimate of how long the process usually takes to fully transfer property rights after a contract is ratified.
7. Confirm that all taxes normally assigned to the seller/transferor (USG) for the transfer will be waived.
8. Assist Post in applying for waivers of registration, transfer, sales taxes or charges to which the USG is entitled to an exemption under international law and treaty, if requested.
9. Summarize the costs that are usually paid by each party, both as a matter of custom and as a matter of law in order to determine whether the USG will be entitled to any exemptions from payment. When custom and the law are in conflict explain which rule is typically followed.
10. Research and advise on whether any local currency, VAT and other tax laws will affect the transaction.
11. Explain when a sale or transfer is legally considered final as well as any post-settlement procedures that may delay relinquishing full ownership rights to the Buyer or Transferee of the property.
12. Provide details regarding any requirements that the USG notify local governments of the transfer, and what additional host approvals or certifications are required by the local government, before, during and after the transfer
13. Review the attached draft of the USG standard sales contract for compliance with local law and custom. If any explanations, changes and/or modifications are required, coordinate with the appropriate offices in Washington (the Bureau of Overseas Buildings Operations). The

contract should provide for conveyance of the property in "as is" condition, without continuing warranty of title, and shall not grant a unilateral right for the Buyer to terminate or otherwise cancel the contract.

14. Review any sales contract provided by the Buyer or Transferee to ensure that it best protects USG interests and offer comments or changes. No draft shall give the Buyer or Transferee a unilateral right to cancel the contract. The contract must be subject to approval by the host government (if required) and the USG. Forward the draft to OBO for review.
15. Recommend further modifications to the contract if necessary and provide a translation of the final package.
16. Prepare and register all appropriate documents required for formal transfer of title. Coordinate with a reputable Public Notary (if necessary) for the preparation of all final sales documents. Conduct the closing of the transaction.
17. Prepare, execute and submit pre and post-sale certification (if necessary).
18. Submit monthly invoices to the Embassy.

K.6 52.225-20 PROHIBITION ON CONDUCTING RESTRICTED BUSINESS OPERATIONS IN SUDAN— CERTIFICATION (AUG 2009)

(a) *Definitions.* As used in this provision—

“Business operations” means engaging in commerce in any form, including by acquiring, developing, maintaining, owning, selling, possessing, leasing, or operating equipment, facilities, personnel, products, services, personal property, real property, or any other apparatus of business or commerce.

“Marginalized populations of Sudan” means—

- (1) Adversely affected groups in regions authorized to receive assistance under section 8(c) of the Darfur Peace and Accountability Act (Pub. L. 109-344) ([50 U.S.C. 1701 note](#)); and
- (2) Marginalized areas in Northern Sudan described in section 4(9) of such Act.

“Restricted business operations” means business operations in Sudan that include power production activities, mineral extraction activities, oil-related activities, or the production of military equipment, as those terms are defined in the Sudan Accountability and Divestment Act of 2007 (Pub.

L. 110-174). Restricted business operations do not include business operations that the person conducting the business can demonstrate—

- (1) Are conducted under contract directly and exclusively with the regional government of southern Sudan;
- (2) Are conducted pursuant to specific authorization from the Office of Foreign Assets Control in the Department of the Treasury, or are expressly exempted under Federal law from the requirement to be conducted under such authorization;
- (3) Consist of providing goods or services to marginalized populations of Sudan;
- (4) Consist of providing goods or services to an internationally recognized peacekeeping force or humanitarian organization;
- (5) Consist of providing goods or services that are used only to promote health or education;
- or
- (6) Have been voluntarily suspended.

(b) *Certification.* By submission of its offer, the offeror certifies that it does not conduct any restricted business operations in Sudan.

K.7 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (APR 2010)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that—

(i) The Offeror and/or any of its Principals—

(A) Are o are not o presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have o have not o, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks “have”, the offeror shall also see [52.209-7](#), if included in this solicitation);

(C) Are o are not o presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;

(D) Have o, have not o, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) *Examples.*

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has or has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) “Principal,” for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (*e.g.*, general manager; plant manager; head of a division or business segment; and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror’s responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

(End of provision)
